

## Engine Build Technician

**Salary:** £25-£30k

**Location:** Croydon

**Duration:** Permanent

**Start:** Immediate

### The Company

Dearman is a global technology company delivering clean 'cold and power'.

Dearman's cutting-edge technology uniquely harnesses liquid air to deliver zero emissions power and cooling. It is developing a portfolio of proprietary technologies, products and services, which deliver significant reductions in operating cost, fuel usage and emissions, at low capital cost.

The first application of Dearman technology, to provide sustainable and efficient transport refrigeration, is currently undergoing trials.

The company is building an international reputation for innovation, rigour, commercial acumen and engineering excellence, all to fulfil its primary objective - to make the world a cleaner, cooler place.

### Job Summary

Reporting to our Senior Mechanical Engineer, you will be responsible for:

- Assembly, fitting, inspection and overhaul of engines and their systems
- Maintenance of, and upgrading of, laboratory and other equipment
- Planning own day to day activities and reporting progress
- Reporting build issues and opportunities into the design process

### Person Specification

We are looking for an enthusiastic person to assist our Senior Mechanical Engineer. Beneficial skills include:

- Knowledge of refrigeration or air conditioning
- Operating basic machine tools (lathes, milling)
- Working with high pressure gases or cryogenic equipment
- Experience of computerised test or diagnostic systems
- Further education qualification in engineering (electrical, mechanical, automotive or aerospace), Experience of engines and vehicles at a practical level
- Computer literacy including MS Excel

Please note, we will take all relevant experience into account when considering your application. To apply for this position, please submit a CV and cover letter addressing how you meet the criteria set out in the person specification to [careers@dearman.co.uk](mailto:careers@dearman.co.uk). We may appoint before the deadline.
